

**Directions:**

**From Rte. 40**, and MLK Rd. (exit 266) one can take either Eubanks Rd or Homestead Rd. Eubanks is the first right after you turn toward Chapel Hill upon exiting 40. Take Eubanks to Old 86 (where it dead ends). Turn left onto Old 86 south towards Carrboro. At about 1.5 miles turn left onto Hogan Hills. Turn right at the 1st stop sign on Hogan Hills and turn left at the first street, Town Ridge Lane. Town Ridge Lane bears right and Jones Creek Pl. bears left. KTC is in the Building on the left, #109 Jones Creek Place. There are three groups of condos around a circle. KTC is in the group to the left as you face the circle. #109 is near the far right side of that group. The number is to the right of the garage. The stairs and front door are to the right of the garage, also. The sitting space and shrine are on the third floor – leave your shoes inside the door, and come on in! If you let us know when you are coming, we'll be glad to meet you in front and show you around.

Park at the end of the buildings, near or across from the mailboxes, or on Town Ridge Lane. Please don't park on the circle or block a driveway. (See parking map.)

If taking Homestead, the Lake Hogan Farm Road entrance is about 0.5 miles before the Calvander intersection. If you get to the light at Old 86 you missed the turn. It is a well marked entrance on the right side of the road a couple of miles beyond the High School on Homestead. Take Lake Hogan Farm Road to the last road on the right which is Town Ridge Lane. Follow instructions above.

**From Carrboro:** take Greensboro to Fayetteville Rd. (they intersect at MacDougal Middle School), and either follow this through the light at Calvander and turn right onto Hogan Hills RD, or turn right on Homestead and then left onto Lake Hogan Farm Rd. Follow instructions above.
